	Entry	FULL VACCINATION	TESTING BEFORE DEPARTURE	TESTING ON ARRIVAL	QUARANTINE
Other Countries	ALLOWED	**REQUIRED** *Note*: Passengers are considered fully vaccinated **14 days after the second dose** in a two-dose series vaccine	**REQUIRED** conditions in the note above apply here as well	**REQUIRED** only if: the passenger shows symptoms	**REQUIRED** only if: the passenger gets retested on arrival

High-risk countries   these countries are prone to moving to the red list, as their conditions may worsen.
Green-list countries   the least strict Covid-19 rules apply.

Red-list countries were removed from the table according to notifications of ministry of health

The information above will be regularly updated by the Civil Aviation Organisation of the IR of Iran.
However, **if there is a sudden change in conditions, a country may be moved between lists without warning.**

Other requirements: Passengers must complete a self-declaration form before arrival available at https://www.cao.ir/, as well as a pledge form onboard.

Note: for passengers who have a short trip to a foreign country from Iran, the test taken before departure from Iran can be used for return flight as well, providing that the passenger returns within the 96-hour timeframe.
